MEMORANDUM

To: Richwood City Council

From: Clif Custer

Date: 07/22/2021

Subject: 2020 CDBG-DR GLO Sanitary Sewer Improvements

As a result of a bid opening on May 20th, 2021, Richwood received two bids for the 2020 CDBG-DR Sanitary Sewer Improvements.

- | | | |
|------------------------------------|-------------------------|-----------------------|
| 1. T-Construction, LLC | Base Bid - \$258,826.00 | Bid Alt. - \$1,800.00 |
| 2. Lopez Utilities Contractor, LLC | Base Bid - \$444,905.00 | Bid Alt. - \$4,650.00 |

Upon review of the bids submitted to Richwood, Strand Associates recognized a discrepancy with T-Construction's bid between unit cost of specified Certaflow pipe and actual cost of Certaflow pipe quoted to Strand by known vendors and distributors of this kind of piping. When Strand confronted T-Construction regarding the discrepancy, T-Construction representatives stated that "It was the intention of T-Construction to recommend HDPE (High Density Polyethylene) piping for the project as it is more widely used in the sanitary sewer pipe bursting process". Strand Associates expressed that "This is a State funded grant initiative and material change orders cannot take place after the opening of bids". Strand did ask T-construction if they would honor the project price submitted in their bid package and use the specified Certaflow pipe. T-Construction responded "No" and withdrew their bid.

Strand Associates reviewed Lopez Utilities' bid and all specified material for construction listed in their bid are consistent with Strands bid specifications. All potential award issues because of the bid discrepancy with T-Construction have been ratified through communications with the Texas GLO.

I am requesting of Council a motion to award GLO Contract No. 20-065-080-C233 and Strand Associates construction contract 3-2021 to Lopez Utilities Contractor, LLC for the 2020 CDBG-DR GLO Sanitary Sewer Improvements.
